# ASSAY OFFICE LONDON

## MAKING OUR MARK IN HATTON GARDEN

17 GREVILLE STREET  
HATTON GARDEN

This additional office provides our customers with the convenience of a locally-based hallmarking facility for small quantities, typically of 10 or fewer articles, where a speedy turnaround time is paramount.

We aim to offer our usual range of hallmarking services, including laser marking, but with particular emphasis on our 'same day' and 'overnight' Early Hall services.

Larger consignments can also be delivered to and picked up from our Greville Street sub-office and these will be processed in the normal way at the main Assay Office London premises at Goldsmiths' Hall.

If you intend to use the sub-office for the majority of your hallmarking requirements we can arrange for your sponsor's mark punch, if we retain it, to be transferred from the main office to the Greville Street office. You can pick up a form from either office to arrange this. For those regularly wishing to use both offices an additional punch can be purchased at a reduced rate.

PLEASE CONTACT OUR  
REGISTRATION DEPARTMENT  
FOR FURTHER DETAILS

Please note that packets can only be delivered by hand to the Greville Street sub-office and not by post.
