In response to market needs Assay Office London has teamed with Brink's Global Services Ltd., to provide a premier hallmarking facility at Heathrow.

This facility is for the exclusive use of companies that import or export. It offers a premium service and a convenient through-packet service from plane to distribution with greater efficiency and lower security risks.

MAKING OUR MARK AT HEATHROW

We understand how important turnaround time is for international customers who import, export and distribute precious metal articles in the United Kingdom.

The Heathrow facility applies the world famous leopard's head hallmark of Assay Office London. The most advanced hallmarking technology and equipment are employed including:

- Bespoke laser-marking machines
- The latest non-destructive X-ray Fluorescence Spectrometers for assaying
- State-of-the-art security and tracking systems

THIS INVESTMENT IN CUTTING-EDGE TECHNOLOGY AND SYSTEMS WILL ALLOW ASSAY OFFICE LONDON TO MAINTAIN ITS POSITION AS THE PREMIER PROVIDER OF HALLMARKING SERVICES.

BRINK'S GLOBAL SERVICES LTD

Assay Office London's co-operation with Brink's Global Services Ltd. offers full liability coverage on precious metal articles from manufacturer to assay – and ultimately to their final destination – via the Brink's world premier secure transportation network*.
